

Role	Name	Brief Biography
<i>Chair</i>	Greg LaRochelle	<p>Greg LaRochelle is the Head of Reinsurance for RBC and operates out of the offices located in Mississauga, Ontario. Having joined RBC in 2007, Greg has acquired a significant range of experience and expertise across a variety of insurance business lines including Life & Health (Individual & Group), Home and Automobile, Travel, and Pension De-Risking.</p> <p>His role requires oversight for reinsurance governance, strategy, credit and overall risk leadership. Greg's responsibilities within reinsurance include but are not limited to treaties, systems, strategy, administration, risk management, as well as financial reporting. During his tenure, Greg has championed numerous initiatives focused on optimized reinsurance solutions to balance RBC's exposure within the risk appetite while steadily improving each of the line of business's portfolio performance.</p> <p>In addition to leading the reinsurance business, Greg is a key member of the Group Risk Management Insurance Team responsible for reinsurance risk management oversight for Insurance. Greg is the Vice-Chair (now acting Chair) of the Reinsurance Administration Professionals Association and has previously executive positions on the LOMA Society of Toronto.</p>
<i>Vice-Chair</i>	Eddie Martinez	<p>Eddie Martinez is originally from Queens, New York and has resided in the Syracuse area since June 2008. He has 22 years of industry experience in public accounting, corporate & statutory reporting, operations management, health insurance administration, and reinsurance administration. He is a certified public accountant since 1996 and a registered IRS tax preparer.</p> <p>Currently, Eddie is Director of Reinsurance for AXA US since 2007, where he has oversight of reinsurance operations, encompassing life and non-life reinsurance and data administration, quality assurance, and reinsurance accounting and reporting. Eddie previously served on RAPA's Audit committee, and helped operationalize the RAPA audit program framework at AXA US. He is an active member on the Planning committee, and enjoys facilitating the round table discussions at RAPA's fall conference.</p> <p>Eddie's passion is in coaching and mentoring our youth to become future leaders and productive citizens. He leads by example and is a voice in the community, especially in economic and social matters impacting our children and communities. Finally, Eddie served a 3 year term as Board Member and Treasurer of the Spanish Action League of Onondaga County from 2011-2014, and is an active Board Member of the Nosotros Radio Program in Syracuse.</p>
<i>Secretary</i>	Genevra Pflaum	<p>Currently Genevra is AVP, Client Data at Hannover Re. She manages a team that handles data receipt, mapping, cession administration and analysis. In this role she interacts with the many consumers of the data in the broader organization and works to meet the evolving data needs.</p> <p>Genevra began in a data management function 15 years ago at ING Re and continued to build on that through Scottish Re and into Hannover Re. She has been involved with RAPA and active in the industry since 2007. Prior to becoming Chair of the RAPA Data Initiative in 2011, she participated on the committee for several years. She has presented at TAI User Group and the CRC on reinsurance data and administration. Genevra enjoys and values her participation in RAPA and the relationships she has built through industry involvement.</p>
<i>Treasurer</i>	Garfield MacIntyre	<p>Garfield McIntyre is the Manager of Customer Compliance and Treaty Management at Munich Re. He has being in this role for the past 3 years and his responsibilities include working collaboratively with Munich Re's business partners to ensure that the policies ceded are in compliance with the treaties provisions. His team is also responsible for coding the reinsurance administrative systems with the relevant treaty provisions.</p> <p>Garfield has over 20 years' experience in the insurance and investment management industries. Prior to joining Munich Re, Garfield worked for Voya, previously ING, as an Assistant Audit Manager and Senior Investment Account for 11 years combined. He also worked for KPMG and the NYS Insurance Department. He also holds several industry related designations such as the CPA, CIA, and CLU; and is currently pursuing the ARA.</p> <p>Garfield has been an active member of RAPA since 2012, and currently leads the Risk Management Initiative.</p>
